Tauber's Team of Joy

Jeremy Weisman fighting off a giant gnat - ahem - dropping a shot just over the net.

After five straight winning seasons including 3 consecutive conference titles and one New Prairie Invite Championship, the Warrior Netters suffered their second straight sub-.500 season as we finished 8 and 10. However, it was a 5 match improvement on the previous 3 and 15 season. We finished 2 and 3 in the Greater South Shore Conference, which was good for 4th place. We lost a 3 to 2 heartbreaker to River Forest or we would have been 3rd. The highlight of our season came in the GSSC tournament where we reached the final by upsetting #2 seed Bishop Noll in the semi-final. In fact we shut them out 5-love, avenging an earlier 2-3 defeat at Whiting Park. This win also marked the high water point of our season as we improved to 8 and 5. We graduated 3 Seniors, only 2 of which were regular Varsity players. We return 5 Varsity players and had a very competitive JV team. We look forward to next season as we return a very good bunch that worked hard in the Summer. Individually, the Warrior Netters were led by Mexican exchange/transfer student Alejandro Canela at #1 singles. Alejandro won 9 matches and was a team leader by example. Sophomore sensation Jeff Stooksbury played all three singles positions during the season and finished with a very respectable 12 and 8 record. Jeff was our "most productive" and won all conference recognition. Senior Dan Tomko played singles and doubles and was our third best player. He won 8 matches, coming back from an entirely missed 2007 season due to a Summer basketball injury. Sophomore Billy Ketchum and Junior Mike McIntosh each won 11 matches playing singles and doubles. Our #1 doubles team for most of the season was Juniors Jeremy Weisman and Adam McAbee. They were very competitive and won 4 matches as a team. Other Varsity letter winners included Juniors Mike Matuszczak and Eddie Jennings and Senior Jason Kienzle. JV letter winners included Shane Jett, Tyler Smar, Omar Salazar, and Steven and Allen Doran.

FOOTBALL 2008-09

Dream season... thoughts of being undefeated... an opening win over LW, then a heart-breaking loss to Clark, followed by six straight victories (a "dream record"), including a homecoming victory over Whiting, and a match-up with defending conference champs, Wheeler. It was a tough, highly contested game ending in a win. Then it rained on our parade in the sectional game.

Thunder and lightning! Darrell Ballentine (Best RB, AP All-State), and George Ezell, JR. (MVE, JFCA All-State), led the team, as highly touted athletes should. And, they are headed to Low Western for college. Each was our third member of the JFCA North-South ALL-STAR team in the game's history. Matt Dykhuizen (Sr) (Best Linebacker, one of the best linemen in the history of Warrior football, anchored the O and D lines. Senior: Kenny Green. Walter Jackson (WARRIOR award), and Erick Opperman all played major roles in the 1-3 season. (3rd best ever). Nate Fowler Jr. (Best LB), QB/MLB was the leading tackler, Justin Peters Jr. (FB/LB), Chuck Carter (So) (MVP), O/LB B. Billy Doup (So), and Thomas Brown (Fr.) all contributed to our success.

The senior class leaves with the all time win record. The season provided another giant step in creating a successful football program! - Coach Zimmerman

The Calumet Warriors Cross-Country Team: Runnin' Down a Dream

The boys' and girls' team both competed in numerous events throughout the 2008 season. Each team competed in the Andean Invite at Hidden Lake Park and in the small division at the Gavit Invite held at Riverside Park. Additionally, we competed in two Greater South Shore Conference meets, along with the soggy, wet Invite at Lowell High School. Toward the end of our season, we competed within the "AA" division at the overwhelming New Prairie Invite, the highly-competitive Highland Invite, and the Kankakee Valley Invite, before ending our season with the conference meet, sectional, and regional.

The 2008 Boys' Team finished third in the Greater South Shore Conference. Earning First Team All Conference Honors were Mike Clark sixth and Tharon Holt seventh.

The 2008 Girls' Team had some success as well. Chloe Smith was third in the GSSC meet, earning her First Team All Conference status, while Mercedes Carey was tenth, earning her Second Team All Conference Status.

Although neither team qualified for regionals this year, Chloe Smith, as an individual, placed twelfth in the Hammond Sectional, which qualified her for her second appearance in the Crown Point Regional. She did not, however, qualify for the New Prairie Semi-State the following weekend.

At season's end, team members voted on awards to be handed out during the Fall banquet. Earning awards were: David Hoerning and Andrea Degard - Outstanding Newcomers; Mike Clark and Andrea Degard - Pride, Hustle and Desire; Tharon Holt and Patricia Lopez - Most Perseverance; Tharon Holt - Most Dedicated; Mercedes Carey - Most Improved; Mike Clark and Chloe Smith - Most Valuable Runner.

After a tough 5-16 season, Calumet head coach Mr. Nelson has vowed the team would take steps forward to make sure that the 2009-10 season is a success! Calumet varsity will be returning 7 letterman along with a strong group of up and comers! Calumet will be looking for leadership out of seniors Jon Phelps, Denzel Glasper, and junior All-Conference nominee Aaron Abram.

Calumet Warriors Wrestling Team

The Warrior Wrestling Team returned this year with an amazing team, after losing only four letterman at graduation, and returning 10 letterman, 6 GSSC Conference champions, and 2 Semi-State qualifiers. The rebuilding team finished an awesome season with a dual meet record of 16-8 and a GSSC conference record of 8-0.

The "Most Improved Wrestler Award" was given to two teammates this year: Jose Rodriguez, who shined in his first year of wrestling with a season record of 27-15 with 14 pins, and Zach Schraven, who durastically improved over the year with a record of 20-17 with 8 pins.

The "Pride-Hustle-Desire Award" was presented to Tim Reed, whom his teammates voted as having the best work ethic and never-say-die attitude, with a first-year record of 18-19 with 9 pins.

The "Crossface Award" was given to team leader, Michael Clark, who was chosen for his devotion to the team through mental toughness.

The "Outstanding Wrestler" Award was shared between team leaders Michael Clark and Nathan Fowler, both semi-state qualifiers and approaching seniors, Nathan with a record of 37-10 with 27 pins and Michael with a record of 34-9 with 28 falls. This tied with the all-time Calumet record for pins in a single season.

The boys' team had some fantastic athletes but not the numbers required for success as a team. George Ezell (55MD) had a great indoor season, blowing the competition away at the NSR held at Wabash, then finished 4th OR 5th at Purdue.

Outdoors Darrell Ballentine and George Ezell dominated most meets and George finished a record 5th place (All-State) in the 400M Dash (487) at the IHSAA State Final @ICU. Stephan Piggee, striving to be the best shot putter in school history, continued to advance to that goal. He had a Personal Best of 44.

The Young Lady Warriors with NUMBERS created the "Dream Season" with awesome attitudes and some emerging talent. Led by two time state qualifier Mercedes Carey (Won Reg. 100MD, 200MD) 11th in 100 at State and injured quad during, ran courageous 200MD). The team matured as the season progressed with the culmination of dedication, hard work and excellent learning skills leading to our first girl's conference championship in 23 years. "Greater South Shore Conference Champions" has a wonderful ring to it. Coach Zimmer is greatly appreciative of the honors he received. Coach of the Year (selected by peers) and Championship Coach this was also due to the hard, effective work of Coach Rob Lukowski, Coach Mike Agler, and all the athletes. They believed in us; we believed in them and the fruition of our labor was attained. —Coach Zimmer

We finished the season with an 0 and 15 record. We finished 0 and 6 in the GSSC. We lost in the first round of the conference tournament to Lake Station 1 to 4 and in the first round of the sectional in Highland, to Gary West Side 1 to 4. It was a building year as we lost 5 seniors to graduation. Of the 2 remaining Varsity players, one of them decided not to come out and graduate a year early, for personal reasons. To say the least, we were young and inexperienced. The girls' attitudes were good and their efforts were good. Our execution of the fundamentals of tennis was not good, however. Hopefully we learned from our mistakes and next season we can improve. There is no where to go but up as we start it.

The highlight of our season came on Saturday May 2, 2009. We won the Lake Station Invitational Tournament. To say the least it was a stunning upset. We lost to all of the teams in the invite in dual match play but this was our day as we took home the crown as champions. It marked the third time in history that we have won it for Calumet. We won in 1999 and 2003 previously. Individually the #1 doubles team of Juniors Megan Moon and Ashley Eriks won our only title.

The final team scores were: Calumet 13, H. Clark 12, Lake Station 10, B. Noll 0.

Memories

This year has been really good for me. "It's amzing!" That's all I could say as I drove home from graduation with the family. I don't even have a problem staying in school for another 4 years attending Michigan State University. I'm moving on to bigger and better things. Can't wait to be a pediatrician!

-Abbey Oloyede

Man Man Man senior year where do I start. This was a defining year for me you know, because my first two years I slacked off a lot. Then my junior year I got it together but my senior just was the best. I really broke out of my shell, made friends with people I never would of expected to. But it goes fast. I don't have any regrets but there are things I wish I would've done. But hey it was truly a great year. 2009 Baby love yall!

-Jon Wilson

The best memory, would be the wonderful people I have befriended. My senior year I never realized how many people I can call my friends. Not just students but teachers as well. I will never forget the ones that gave me the courage and the push I needed to get through these four years. So for advice to the next senior class, don't hold back, have fun and get all your work done so when you get to walk your final steps you will feel accomplished.

Michelle Ludinski

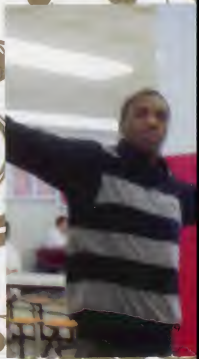

My favorite memory of High School was Patrick Lelek's Quotation Mark Dance. There are no words to describe it. Don't ask him to do it, he he can't remember how it goes.

Dan Tomko

I remember when my aunt had cancer. She was in the hospital and everyone thought she was going to die. When I went in the hospital room and saw her I started crying. She looked down at me and said, "Kenny, you're so smart that either you're gonna own a bank, or rob a bank and get away with it." While on that bed she told me that I was gonna grow up and be somebody. I've stuck with that and I am gonna be somebody. I don't owe my achievements to myself but also to my Aunt Mary Ann Wade. I LOVE YOU AUNT.

The Chieftain

'Twas another interesting year for the Chieftain staff - this year, our small staff finished up in mid-July! What a way to spend one's summer vacation, eh?

As you may have noticed, this is a full-color yearbook. From now on, our yearbook will always be in full color. Secondly, you may have noticed how truly fantastic many of the pictures are - I'd love to take credit for this, but I must defer to Mrs. Nancy Gryzch (Jeremy Weismann's Mom). She has tirelessly and unselfishly traveled to myriad sporting events, snapping pictures, which she then transfers to CD and gives, free gratis, to The Chieftain Staff. Thank you again, Mrs. Jeremy's Mom; this yearbook would not be nearly what it is without you!

Luckily (or unluckily, as the case may be) I am still paid too little (as yearbook advisor) to hear any complaints. :) You may have noticed that some of the senior pictures are out of order...this was the result of a last minute computer glitch. A lesser staff may have simply left off the missing students, but, fortunately for us, Jenea Sutton spent the better part of a day making sure everyone was adequately represented.

The Chieftain is a student publication - thus, there are bound to be some errors. We have endeavored, however, to make these of the smallest and most insignificant kind. I feel, on looking back through these pages, that the staff did a wonderful job, and am enormously proud to have been a part of it. We look to improve every year, until we unleash a yearbook so incredible, it will rule the world.

Mr. Brugioni, Yearbook Advisor, July 15, 2009

Above: Michelle Lulinski, long time editor of the Chieftain, graduated this year. We will miss the guidance, effort, and integrity she brought to this publication. Thank you, Michelle, for all you've done! Happy Graduation!

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has grown from 10% of the economy to 16% of the economy.

There is a growing emphasis on the need to improve the efficiency of the public sector. This has led to a number of initiatives, including the introduction of competition, the restructuring of public services, and the introduction of new management practices. The aim of these initiatives is to reduce the cost of public services and to improve the quality of the services provided.

One of the main challenges facing the public sector is the need to reduce the cost of public services. This is a difficult task, as public services are often provided at a loss. However, there are a number of ways in which the cost of public services can be reduced. These include the introduction of competition, the restructuring of public services, and the introduction of new management practices.

However, there are a number of ways in which the quality of public services can be improved. These include the introduction of competition, the restructuring of public services, and the introduction of new management practices.

The public sector is a complex and challenging environment. It is a sector that is constantly evolving and changing. It is a sector that is facing a number of challenges, including the need to reduce the cost of public services and the need to improve the quality of the services provided. However, there are a number of ways in which these challenges can be met. These include the introduction of competition, the restructuring of public services, and the introduction of new management practices.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2010, and the number of people aged 75 and over to 4.5 million (Office of National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the health and social care of older people. The strategy is based on the following principles: (1) to ensure that older people have access to the services they need; (2) to ensure that older people are treated with respect and dignity; (3) to ensure that older people are able to live independently; and (4) to ensure that older people are able to participate in the community. The strategy is being implemented through a number of measures, including: (1) increasing the number of health and social care professionals who work with older people; (2) improving the training and skills of health and social care professionals; (3) improving the quality of health and social care services; and (4) improving the support and advice available to older people.

The purpose of this paper is to review the literature on the health and social care needs of older people in the community. The paper will first review the demographic changes in the UK population, and then discuss the health and social care needs of older people. The paper will then discuss the current provision of health and social care services for older people, and finally discuss the future of health and social care for older people.

The paper is organized as follows. The first section discusses the demographic changes in the UK population. The second section discusses the health and social care needs of older people. The third section discusses the current provision of health and social care services for older people. The fourth section discusses the future of health and social care for older people.

The demographic changes in the UK population are discussed in the first section. The population of the UK is ageing, and the number of people aged 65 and over is projected to increase to 6.5 million by 2010, and the number of people aged 75 and over to 4.5 million (Office of National Statistics 1999).

The health and social care needs of older people are discussed in the second section. Older people have a higher risk of chronic disease and disability than younger people, and they also have a higher need for social care services. The health and social care needs of older people are discussed in the second section.

The current provision of health and social care services for older people is discussed in the third section.
